

Microwave Brownie in a Cup

Ingredients

- 2 tablespoons of butter
- 2 tablespoons of sugar
- ¼ teaspoon of pure vanilla extract
- 1 egg yolk
- 4 tablespoons of flour (sieved)
- 1 tablespoon unsweetened cocoa powder (sieved)
- Milk –to make brownie to the desired consistency
- 2 heaped tablespoons of chocolate drops

Method

Melt the butter in a mug in the microwave, be careful not to boil. Add sugar, vanilla and then stir together. Next gently stir in the egg yolk. Add the flour and cocoa powder mix until well combined. Add milk if too thick, a little at a time. Stir through chocolate drops. Cook for approximately 1 ½ minutes at 600W.
